R&D dating for animal health and innovation

The 9th edition of the "R&D dating for Animal Health and Innovation" business convention is hosted by BioFIT 2023.

Project - CEO matchmaking

Are you a bioentrepreneur seeking a project? Do you have projects needing a CEO?

The Project - CEO matchmaking activity is the opportunity to establish future collaborations between bioentrepreneurs and projects in need of a CEO.

CONFERENCES

60+
high-level speakers

Steered by a prestigious committee, the BioFIT 2023 conference programme is tailored to match the interests of every player of the sector. Rooted in four custom-made tracks, the conference sessions bring together international experts to discuss the current stakes of the early-stage innovation in the life sciences sector and focus on:

TRACK 1:

Best practices in R&D collaborations

TRACK 2:

Nurturing and licensing early-stage assets

TRACK 3:

From pre-seed to Series A: Accessing early-stage investment

PITCH SESSIONS

Start-up Slams

The Start-up Slams are a great opportunity for **young companies** (and particularly for start-ups seeking to raise a seed or a Series A financing round) to showcase their project in front of potential partners and investors.

Collaborative and Licensing Opportunity Presentations

The Collaborative and Licensing Opportunity Presentations enable **TTOs, universities, research institutes** and **companies** to showcase their early-stage technologies in front of potential partners, in order to entail a collaborative project and/or a licensing deal.

Animal Health Presentations

The Animal Health Presentations allow **young companies, TTOs, universities, research institutes** and **companies** to showcase their innovative project in front of potential partners and investors in the Animal Health sector.

The winners will be awarded as the most innovative start-up and the most promising technology in **Life Sciences** and **Animal Health**.

Selected candidates will have the opportunity to prepare for D-day by participating in a **warm-up session**, to help them improve their pitch thanks to the valuable coaching and feedback from BioFIT's Steering Committee members.
